

The background of the page features a stylized map of Europe in blue. Overlaid on the map is a complex network of thin blue lines connecting various points, representing a global or regional network. Some points are marked with solid blue circles, while others are smaller dots. The overall aesthetic is technical and modern.

**Chemical Solutions For The Aviation Industry**

# Why Callington?

## About Us

**Callington** has been a specialty chemical supplier for over 50 years and has been supplying the global aviation market for nearly 40 years.

**ISO9001:2015** certified. The **Callington Group of companies**, including **PSA France** offer leadership in a range of industries: aviation, janitorial, welding, health, marine, automotive, NDT, fuels & more.

With offices, warehouses and **R&D facilities** worldwide, we provide to our partners;

- ✓ Quicker response times
- ✓ Faster deliveries and stock availability
- ✓ Health Canada approved | DIN: 02493179
- ✓ Sustainable and environmentally friendly solutions

## Callington Group

**85+** Years of combined experience as chemical manufacturers

**11** Countries with sales offices

**150+** Countries serviced

**6+** Markets including aviation, defense, health & more

**2,500+** Airline and Defense Customers

## Preventing The Spread

The World Health Organization provides recommendations for good hygiene practices to prevent the spread of the virus.

Cleaning hands with soap and water for at least 20 seconds.

Where soap and water are not available, using alcohol-based sanitizers.

In addition Callington suggests all surfaces should be cleaned with approved broad-spectrum disinfectants

# Global Support

**HEAD OFFICE:** Sydney, Australia

**MANUFACTURING SITES:** Tampa, Paris, Tunis, Chennai, Kuala Lumpur, Bangkok, Sydney, Jakarta, Capetown, Atlanta, Brighton, Indianapolis, and more

**R&D SITES:** Sydney, Paris, Bangkok, Chennai, Brighton

**SALES OFFICE:** Orlando, Paris, Sydney, London, Chennai, Singapore, Kuala Lumpur, Bangkok, Toronto, Hong Kong, Dubai

**DISTRIBUTION WAREHOUSES:** Paris, Dubai, Singapore, Sydney, Bangkok, London, Mumbai, Chennai, Miami, Johannesburg, Santiago, Ho Chi Minh City, Copenhagen, Moscow, Mexico City, Toronto

## Callington provides customers with **Contract Packaging** options and **Private Label** opportunities.

Callington has been supporting our customers with contract packaging, private labeling, R&D, regulatory and compliance support, product registration support, laboratory services as well as with brand/marketing development for over 50 years. Our global technical, supply chain and operations teams are experts at implementing solutions to meet the specific needs of each customer, providing world class "turnkey" chemical manufacturing and kit packaging services.
